

Marit Kruthoff
Sustainability Analyst

Before joining Forma Futura Marit Kruthoff was an ethics analyst and responsible for media and communications at Investment Ethics Research & Advisory AG, Zurich. She studied Public Policy and Management at the University of Constance and was engaged in different projects on Corporate Social Responsibility. During her studies she gained practical experience in Marketing & Sales and Public Affairs in Singapore and Berlin.

«What inspires me at Forma Futura is the deep and versatile commitment to sustainability and its strong anchorage in the world of finance.»
